Tired of the time and money it costs to wrangle your bales? Put them in their place with the Accumagrapple.

50% accumulator, 50% grapple, and 100% genius, the Accumagrapple lets you quickly and easily gather, lift, load, and offload square bales with just your tractor or skid loader. The Accumagrapple saves you time, money, and energy—and you can always use a little more of those.

*Told you it was genius.*
